

Trainee Management Accountants

An excellent opportunity has arisen within a world leading company for two high calibre graduates. Working within a focused team you will be exposed to all facets of accountancy, and you will have the opportunity to undertake an accountancy qualification.

Strix, is the world leader in the manufacture of controls and cordless interfaces for kettles, jugs and a wide range of other water boiling appliances in the domestic appliance industry.

You will be joining a team based on the Isle of Man, responsible for group financial reporting. The role encompasses a variety of tasks, and provides frequent challenges. The ideal candidates will be enthusiastic, conscientious and used to working to deadlines

Skills / Qualifications:

- A university graduate with an accountancy/business/economics degree (ideally a 2:1+)
- Or relevant experience.
- The ability to work to deadlines.
- Strong PC skills.
- Clear and succinct communication skills.

Key tasks:

- A key team member helping with the preparation of the monthly management accounts, including the primary financial statements.
- Monthly overhead reporting.
- Balance sheet reconciliations.
- VAT and Intrastat returns.
- Financial analysis.

Benefits:

- Competitive remuneration package.
- Company healthcare and pension scheme.
